Boarding Policies

Boarding is provided as a service to the regular clients of Lincolnton Animal Hospital, P.A.

During your pet's separation from you, our staff will strive to make his/her stay as pleasant as possible.

It is the policy of the hospital that:

- Boarding animals must be current on vaccinations and free from internal and external parasites or they will be treated at the owner's expense _____ (Initial)
- If your pet becomes ill during the stay and you and your emergency contact cannot be reached, we will treat accordingly and your bill will be adjusted accordingly _____ (Initial)
- If a tranquilizer is necessary for handling, it will be administered, at owner's expense _____ (Initial)
- Animals are expected to be released on the date specified above. If for any reason you cannot pick up your pet on that date, please notify us immediately. Any pet left 30 days beyond the expected release date without notification will be handled in accordance of the laws of state of North Carolina _____ (initial)
